Ms. Radaj has been featured in numerous publications, and authored numerous articles on design and feng shui. She was a frequent guest on Viv's Views on WTMJ and has made other TV and radio appearances. Visit the website for a list of appearances and video links to "see DeAnna in action".

Bante Design LLC offers a variety of design workshops and recently introduced a series of seminars for kids: Feng Shui for Kids, Clutter and Organizing for Kids and Bedroom Design for Kids (and one for adults as well!). The website contains a listing of all current seminar offerings.

Bante Design LLC is a unique design company committed to the philosophy of:

*"Designing spaces that are not only beautiful and comfortable, but also bring out a client's personality"*

When you hire the services of Bante Design LLC, you will be assured of getting prompt service and a space that will be the envy of all.

While Ms. Radaj has designed all types of spaces (including numerous retail stores), her specialty is bedrooms-especially children's spaces.

Bante Design LLC list of services includes:

- Space-planning for your home, office or retail space
- Color consultation to pick the "right colors" to achieve the atmosphere you want
- Re-design of your home with out "moving a wall" utilizing your current possessions.
- Staging of your home before you put home on market
- Feng shui consultation for home and occupants to utilize occupant's "auspicious" directions and elements
- Custom workshops and seminars for your group, organization or club
- Clutter and organizing help for the client who needs an unbiased third party push
  
- Marketing materials for your company including help in website design, logo, brochures and site locations.
